PROFESSOR MÜLLER'S

LIFE OF FIELD-MARSHAL COUNT MOLTKE.

Translated by PERCY E. PINKERTON,

AND EDITED BY

Capt. H. M. HOZIER.

"Müller's admirable Life of Moltke."—*Globe*, in leader on Lord Chelmsford, March 17.

"Most graphic and picturesque."—*Morning Post*.

"A highly interesting monograph of this illustrious soldier."—*Court Journal*.

"This interesting account of Moltke's life."—*United Service Gazette*.

"Of absorbing interest to all.... Those who have undertaken it have shown themselves worthy of the subject, and deserve our best thanks for presenting us with a book so full of interest—at the same time so true a description of a master-mind."—*Examiner*.

"Of the great, manly, modest old soldier, Moltke, we in England at all events have heard so little that there is scarcely a page in this admirable memoir that will not come upon the majority of readers with the agreeable shock of a pleasant revelation. The book is, indeed, a delightful one, admirably translated and edited.... It might have been written by an Englishman for the impartiality of the opinions in it."—*Mayfair*.

"The volume is of great interest.... It presents to us a man of fine character, and amazing force of intellect and will.... We must not be tempted to further extracts, although the quotations given from Moltke's letters are full of interest. We can only repeat what we have remarked already, that the book is one which ought to be read."—*Literary World*.

It never allows the interest to flag for an instant; and it remains, along with Mr. Green's earlier books, by far the most graphic sketch of English history that exists."

"His book, both in its aims and its accomplishments, rises far beyond any of a similar kind, and it will give the colouring to the popular view of English history for some time to come."
